Persons working in DMS

3339. SHRI J. P. GOYAL: Will the Minister of AGRICULTURE be pleased to state:

(a) the number of persons engaged in the production fo milk in the Delhi Milk Scheme;

(b) whether the present stength is adequate to cope with the work-load;

(c) whether it is a fact that some 30-40 workers were engaged on daily wages by the Delhi Milk Scheme during January and February, 1988;

(d) whether it is a fact that no such worker has been engaged during the month of March, 1988 and as a result of which the production of milk in the DMS has fallen down by about one lakh litre per day;

(e) whether it is also a fact that the permament staff in the DMS engaged in the production of milk are also not working satisfactorily; and

(f) if so, what are the details in this regard and the steps being taken or proposed to be taken to improve the situation?

THE MINISTER OF STATE IN THE DEPARTMENT OF AGRICULTURE AND COOPERATION IN THE MINISTRY OF AGRICUTURE (SHRI SHYAM LAL YADAV): (a) About 550 persons are engaged in the production of milk and milk products.

(b) Yes, Sir.

(c) and (d) 31 workers were engaged on daily wages basis during January and February, 1988, of these, 16 are still continuing. There was no fall in production because of shortage of these workers.

(e) No, Sir.

(f) Does not arise.

Under utilisation of loans by the Delhi Water Supply and Sewage disposal Undertaking

3340. SHRI J. P. GOYAL: Will the Minister if URBAN DEVELOPMENT be pleased to state:

(a) what is the total amount loaned by the Delhi Administration to the Delhi Water Supply and Sewage Disposal Undertaking of the Municipal Corporation of Delhi during 1987-88 and the amount out of it utilised by it;

(b) whether these funds have been under utilized, which is likely to worsen the water supply position in the Capital in the coming summer months; and

(c) if so, what is Government's reaction in this regard and the steps taken or proposed to be taken to improve the situation?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI DALBIR SINGH): (a) Delhi Water Supply & Sewage Disposal Undertaking have reported that a sum of Rs. 5565.00 lacs was loaned by Delhi Administration to them during 1987-88, out of which Rs. 3808.67 lacs was utilised upto the end of February, 1988.

(b) and (c) It is not correct to say that under utilization of the loan is likely to worsen the water supply position in the Capital, but scarcity of water in the coming summer may be owing to the prevailing draught conditions. While it may not be possible to fuly overcome the scarcity, government is maintaining a continuous liason with the State Government of UP and Haryana with a view to taking such
